

Lenzie Community Council

minutes of meeting held on Wednesday 16th May 2018
in Dean House

		ACTION
1.0	ATTENDANCE	
1.1	Sandra Thornton; Tom Gray; Tony Miles; Christine Morrison; Drena O'Malley; Rod Ackland; Callum Dewar; Rosemary Craig; Mark Billington; Suzanne Smith;	
2.0	APOLOGIES	
	Lyndsey Saunders; John McFadden; Paul King;	
3.0	POLICE REPORT	
3.1	Community Police – There was no report this month, but there has been some information about action re disorder in the wooded area cited in last month minutes.	
4.0	MINUTES OF 18TH APRIL 2018 MEETING	
	Acceptance of these minutes was proposed by Christine Morrison and seconded by Drena O'Malley.	
5.0	MATTERS ARISING	
5.1	Adopt-a-Station – Woodilee Residents have agreed to take this forward and will start by looking at the tubs on the Station platform and filling in the forms now required by Scotrail.	PK
5.2	Community Council boundaries – Woodilee Residents Association (WRA) has compiled a letter to residents in the Woodilee Village Housing areas, and which will go to every resident. This explains the present situation concerning Community Council boundaries and contains a ballot paper asking whether or not residents wish the boundaries to remain the same or if they would prefer the boundaries to be redrawn to include Woodilee Village areas in LCC area. This will go out shortly, returns to be made to ballot boxes at Old Gatehouse and Deafblind Scotland offices. The closing date is 25 th May. A few houses will not be covered by the WRA circulation and a further letter will be considered once the first circulation has been completed.	PK & TG
6.0	REPORT ON FORMER LENZIE PRIMARY SCHOOL	
6.1	Five members of LCC and two members of the Lenzie Community Development Trust met with Chris Nunn and Douglas Jack, representing All Saints developers, who are currently preparing a Planning Proposal for the former Lenzie Primary School. The plans were presented and discussed. They show a total of 20 flats, 11 in the main building and 9 in an extension to the rear of the present building. The majority will be 2-bedroom flats but there will be four 3-bedroom flats. It was noted that the external architecture of the current building will be retained and the extension is designed in a complementary style and finish. Detailed notes of the meeting and some 3D visualisations of the proposed development have been circulated to members. The possibility of a public consultation event at some suitable stage was discussed and the LCC members

	present agreed to consider facilitating such an event, which it was thought would be beneficial to the community.	
7.0	UPDATE ON LENZIE PARKING STUDY AND STREET DESIGN PROJECT	
7.1	Isla Hamilton, EDC Team Leader, Traffic and Transport, was welcomed to the meeting. Now that the detailed design for the Lenzie Station Hub project has been completed, this will be presented at a public meeting shortly (Post-meeting note: the date has now been set as Wednesday 13th June in Lenzie Hall.) Analysis of the returns collected at the final consultation on the Street Parking Study showed a majority opinion <i>not</i> to implement either of the two schemes as presented. EDC has therefore decided to limit the scheme to enforceable restrictions necessary for safety and to the improvement of short-term parking availability around the Queen's Buildings shopping area. Traffic Regulation Orders are therefore being sought to implement such changes.	
8.0	TREASURER'S REPORT	
8.1	The annual accounts have now been audited. There are reserves of £6,100. Full accounts will be circulated to members at the AGM but meanwhile, the Treasurer will pass copies to the Convener and Secretary.	CM
9.0	PLANNING	
9.1	Weekly list – A list of current applications had been circulated. With the exception of the item on the proposal to build a hotel at Woodilee Road, it was agreed that the applications did not require the attention of LCC.	
9.2	Hotel Proposal (24-bed) TP/ED/0292 – In the absence of the Planning Convener, the Secretary had circulated a summary of this proposal. The applicants had addressed some of the points made in previous objections to the 28-bed proposal. However parking, the health of protected trees and access safety seemed to be unresolved issues. No recommendations had been made in the summary but the meeting agreed that the unresolved issues should be raised as objections according to the Planning procedure.	TG
10.0	EVENTS - GALA	
10.1	Planning for the Gala on 18 th August was proceeding and various issues were discussed. Significant sponsorship funding had been sourced.	
11.0	CORRESPONDENCE	
11.1	Disabled users parking spaces – A Traffic Regulation Order has been made by EDC and will come into effect on 25 th June 2018.	
11.2	Prospects – An email from Rhondda Geekie gives information about a charitable organisation called Prospects, which develops groups to help people with learning difficulties to hear the good news about Jesus. There are nearly 30 Prospects groups across Scotland but none in Lenzie/Kirkintilloch until now. The commitment would be one evening a
