| 3.0 | MINUTES OF 20TH JUNE 2018 MEETING | |
| | Acceptance of these minutes was proposed by Suzanne Smith, seconded by Rosemary Craig. | |
| 4.0 | MATTERS ARISING | |
| 4.1 | Adopt-a-Station – It was concluded that the previous proposal for dealing with this was not viable and that an alternative offer that had been made would be explored. | TG |
| 4.2 | Community Council boundaries – The houses not included in the survey had not as yet been canvassed for their householders' opinions and an approach will be made to EDC about boundaries when this step has been completed. | RA & TG |
| 5.0 | TREASURER'S REPORT | |
| 5.1 | The Treasurer noted that various items of income and expenditure relative to the Gala had still to be included in the accounts but LCC had around £7,600 in reserves before the Gala event. | |
| 6.0 | GALA EXPENDITURE | |
| | Most items of proposed Gala expenditure had been approved at previous meetings, but the question of bunting erection along the procession route on Kirkintilloch Road had not been resolved at that stage. Most of the bunting used previously was not now serviceable and a source of supply for 400m bunting had been identified at a cost of £203 (including 180m spare and a storage box). It had not been possible for EDC Lighting to erect this for us on this occasion and the best of four quotations from private contractors was priced at £522. It was agreed to go ahead with this provision. | TG |
| 7.0 | PLANNING | |
| 7.1 | Weekly list – Notification of five Planning Applications had been made since the last meeting and a summary circulated to members. It was agreed that, with two exceptions these were not contentious in terms of Community Council discussion. | |

|------------|---|---------------|
| 7.2 | Former Lenzie Primary Conversion – A summary of this proposal had been circulated to members and it had been agreed in correspondence that LCC should support this proposal but there were some aspects that deserved comment. The final submission to Planning on this proposal would be circulated. | TG |
| 7.3 | TP/ED/18/0339 (Amendment to TP/ED/16/0176) Representations concerning this proposal had been emailed to the Secretary by a neighbour of the proposer. The neighbour had also submitted these objections to the Planning Department. The objections were made on various grounds, which seemed to be well-founded, but LCC concluded that the issues should be entirely within the scope of EDC Planning to resolve and decide, without input from LCC. It was agreed to notify EDC Planning of this view. | TG |
