<b>3.0</b>	<b>POLICE REPORT</b>	
	PC Gerry Canning attended and reported on the period 24/04/2019 to 15/05/2019. The main area of complaints to the Police had been vandalism and underage drinking at known hotspots. These areas are well known to the Police but difficult to deal with as their focus is constantly moving. In response to a question on what residents can best do to assist the Police in relation to this problem, the main recommendation was to remain vigilant, to report trouble as early as possible to 101 and with as much information as possible. It was emphasised that the Police value such information and members of the public should not hesitate because they imagine that Police time is being wasted. A report had been received from a householder which included a claim that this kind of anti-social behaviour had been successfully treated in New Zealand using a certain strategy. This should be discussed directly with PC Canning and it was agreed that a message would be fed back to the complainant. Aside from these points it was noted that house crime in the Lenzie area had been at a fairly low level.	<b>TG &amp; SS</b>

Questions were raised concerning the parking arrangements.	<b>SS</b>
<b>9.0</b>	<b>LICENSING</b>	
9.1	A number of applications to 'vary conditions' of existing licences had been made. Three of these were discussed – in the Millersneuk Road Centre and at Lenzie Bowling Club. These involved extension of hours at the weekend to 1 am the following morning and drinking outdoors. It was agreed that the Bowling Club location deserved careful attention as it is in an area where homes are within close range. A draft letter of objection from a resident was tabled for information. It was agreed that the Secretary would circulate a draft letter, to be sent to the Licensing Board, noting that the Club is in a sensitive area and rigorous control of noise must be maintained.	<b>TG</b>
