3.0	MATTERS ARISING (from April and May meetings)	
3.1	Lenzie Hall (3.2 in April minutes) – This topic was not discussed at the meeting, but for information, it is known that the LEAP organisation was accepted by EDC at a recent Council meeting as the preferred tenant. Refurbishment works are being undertaken by EDC but no information has been received on progress or completion dates.	
3.2	Treasurer's Report (5.0 in April minutes) – A request by EDC for balance sheet and other information relevant to LCC Annual Grant has been received and is being acted on by the Treasurer. There was discussion concerning a request in the papers for LCC meeting minutes. No hard copies of meeting minutes have been requested by EDC for over a decade and the requirement has previously been met satisfactorily by pointing to the LCC website, which includes agreed minutes for all meetings. (Post-meeting note - The Treasurer and Secretary discussed this after the meeting and agreed that the Treasurer will enclose a note about that when making her return and offer that minute files for the monthly meetings 2001-2002 will be passed to the EDC Secretariat if requested.)	CM & TG
3.3	Police Report (4.1 in May minutes) – Arising from this item, a member noted that he had regularly observed drivers ignoring clear red light phases when approaching the Initiative Road traffic lights from the Kirkintilloch direction, at speeds apparently well above the 30 mph limit. It was agreed that PC Canning would be informed.	TG
3.4	Roads Issues – (6.1 in April minutes) It was observed that an inspection by Network Rail of the rail bridge at Kirkintilloch/Auchinloch Roads took place as noted. However, no repairs are evident. A further fall of a piece of masonry was noted around 8 th June. This was reported to EDC Transportation Officer who confirmed the responsibility lies with Network Rail and reported the further damage to EDC Structural Engineer. He visited the site to see the damage and passed the information on to Network Rail who are arranging an inspection.	TG

5.0	TREASURER'S REPORT	
	Balance at 5 th June 2020 was £5,692.46. This includes £500 from a resident for a particular project (see May minutes item 9.1) and £1,500 which was to have been sponsorship for the Gala. Steps had been taken to determine what the sponsor wished to do with this, in the light of the Gala cancellation, but the discussion had not reached a conclusion as yet. The forms relating to the annual grant had been submitted to EDC on 25 th June.	CM
6.0	TOWN CENTRE RECOVERY IN LENZIE	
	Members were informed of recent correspondence with an EDC Officer (Regeneration and Town Centres) concerning funding to assist businesses recovering from the Covid-19 lockdown. Suggested assistance includes PPE and hand sanitiser equipment, together with assistance to set up a 'digital village'. This is still at an early stage and it is known that, as well as EDC, the East Dunbartonshire Chamber of Commerce is involved to maintain equity across the Council area. Businesses in Lenzie have not so far been approached about this. These topics were discussed and it was agreed that the Convenor should continue to develop firm proposals with the EDC Officer. A proposal was made to use £500 from LCC funds to bulk purchase hand sanitiser and distribute it as possible. This proposal was favourably considered and a firm decision might be taken when it is clear which businesses are to be supported.	AM
7.0	DATE OF NEXT MEETING	
	It was agreed that a meeting could be held in July but no firm date was set.
