2.0	POLICE REPORT (via secretary)	
	PC Canning was on leave this week and noted that Police were giving attention to poor driving behaviour around Lenzie and trouble in the Millersneuk School area. There had been a complaint via LCC website concerning vehicles parked on 'keep clear' markings on the southwards approach to Lindsaybeg Road on Auchinloch Road. This will be taken up with PC Canning on his return. There had also been a complaint concerning untoward vehicle noise late at night on Beech Road. 4.0	MATTERS ARISING	
4.1	Scottish Towns Partnership Project – There was no response to a request for further information from one of the applicants for funding and it was agreed that the proposed support would be withheld. Bulk-buy purchase of PPE (sanitiser and masks) had been authorised as agreed under February minute 4.1. The rationale in terms of Covid recovery support is that businesses and community groups are reluctant to invest in PPE while the situation is so uncertain and this may be inhibiting recovery. Central purchase will also reduce overall costs.	SS
4.2	Council Boundaries and Election Cycles – There had been no further response.	TG
4.3	Licensing – The actions proposed in Item 8 of the January minutes and 4.3 of the February minutes had been carried out. The anomaly regarding notification of licensing procedures in Woodilee Village to LCC (January 2021 minute 9.1) had been drawn to the attention of the Corporate Governance Manager.
