3.1	PC Canning was on leave but had provided a report covering standard issues such as Local Policing priorities, Disorder, Anti-Social Behaviour, etc. There was an extensive set of guidance notes on cycle use and it was thought that it would be useful to make this available to the community. It was agreed to ask about the source of this information with the possibility that the information could be made available via LCC social media. It is not possible at present for Officer Canning to attend Zoom meetings as Zoom software is prohibited on Police devices. (Post meeting note: It has been established that MS Teams is acceptable and this could be used if a host with this software could be found.)	TG

5.2	Traffic Issues – EDC Officer Thomas McMenamin has agreed to attend the February meeting of LCC, subject to setting up a Teams route for the first part of the meeting and reverting to Zoom for the remainder. (Post meeting note: He has agreed to attend and Officer Canning has since noted that he should be able to generate information relevant to a discussion.)	TG
