

LENZIE COMMUNITY FESTIVAL

Welcome to the Lenzie Community Festival Trail!

My name is:

First stop, pop in to Billington's and collect your free colouring pencils!

If you wander along past the Lenzie shops, can you see some artwork in the windows? What's your favourite drawing?

My favourite is

I like it because

Walk down Kirkintilloch Road to Dean House. You'll find some stalls here, and you might arrive while the LEGO building competition is on!

Can you find the Lenzie Community Council recycling stall? Go and say hello, find out about recycling at home, and claim your sticker!

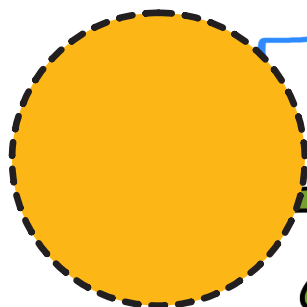

(LEGO building competition on at 11am)

Next, continue down Kirkintilloch Road to Ingleside. (Why not stop at Lenzie Union on the way to see what's on there?)

Can you find the Sport's Squad area on Ingleside? What colour is the start line?

Let us know you're here doing the trail to get the next sticker!

The start line is

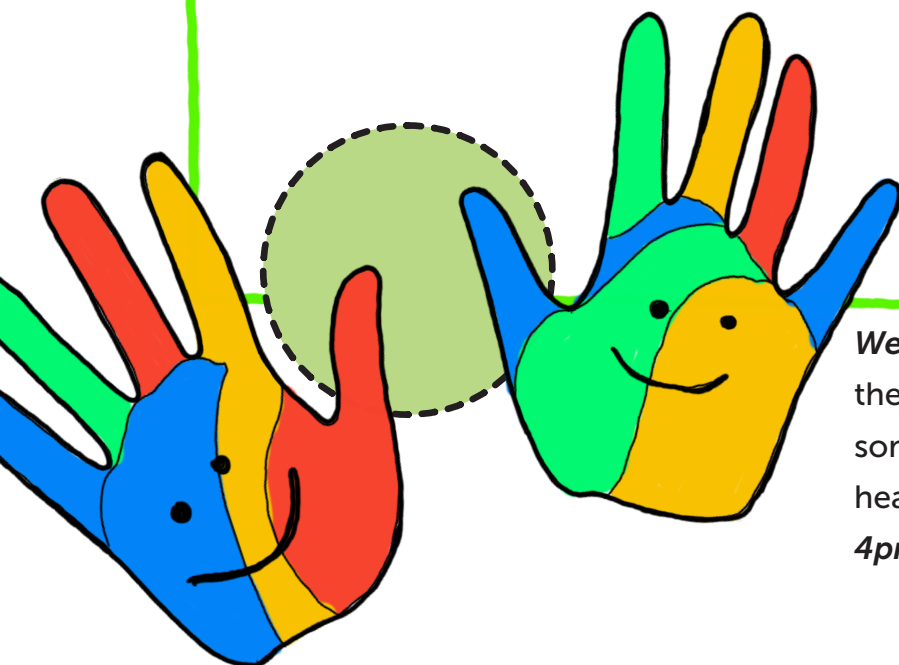

START

Have you had fun at Ingleside? What's been your favourite part of the festival today? Did you take part in the parade? Or build something in the LEGO competition? Maybe you've had your face painted?

Draw your favourite part of the day here!

Well done! We hope you've enjoyed the trail! If you'd like to take part in some more fun, games and crafts, head up to **Lenzie Union Church** at **4pm** for a special **Messy Church!**
